

IProvider

```
graph BT; Is6502IHoverProvider[Is6502::IHoverProvider] --> IProvider[IProvider];
```

A UML class diagram illustrating inheritance. At the top is a box labeled 'IProvider'. Below it is a box labeled 'Is6502::IHoverProvider'. A blue arrow points from the bottom of the 'Is6502::IHoverProvider' box up to the bottom of the 'IProvider' box, indicating that 'Is6502::IHoverProvider' inherits from 'IProvider'.
